The financial report is a general purpose financial report that has been prepared in accordance with the *Corporations Act 2001* and Australian Accounting Standards - Simplified Disclosures. This financial report is the first financial report of the Company prepared in accordance with Australian Accounting Standards - Simplified Disclosures. The prior year financial report was a special purpose financial report that was prepared in accordance with the recognition and measurement requirements of all Australian Accounting Standards and the disclosure requirements of some, but not all, Australian Accounting Standards. The transition from the previous financial reporting framework to Australian Accounting Standards - Simplified Disclosures has not affected the Company's reported financial position, financial performance and cash flows.

The financial report covers Lachesis Biosciences Ltd as an individual entity. Lachesis Biosciences Ltd is a Company limited by shares, incorporated and domiciled in Australia. Lachesis Biosciences Ltd is a for-profit entity for the purpose of preparing the financial statements.

The financial report was approved by the directors as at the date of the directors' report.

The following are the significant accounting policies adopted by the Company in the preparation and presentation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

(a) Basis of preparation of the financial report

Historical Cost Convention

The financial report has been prepared under the historical cost convention, as modified by revaluations to fair value for certain classes of assets and liabilities as described in the accounting policies.

(b) Going concern

The financial report has been prepared on a going concern basis, which contemplates continuity of normal business activities and the realisation of assets and the settlement of liabilities in the ordinary course of business.

The Company incurred a loss from ordinary activities of \$334,674 (2021: \$418,020 loss) during the year ended 30 June 2022.

The Company has cash balances of \$751,009 (2021: \$1,051,613) at year end and have a positive net asset balance of \$721,543 (2021: \$1,056,217). Given this, it appears the Company has sufficient funds to be able to cover cash burn for around 2 years. It is also noted that the Company's current assets exceed their current liabilities by \$711,119 (2021: \$1,041,780).

(d) Cash and cash equivalents

Cash and cash equivalents include cash on hand and at banks, short-term deposits with an original maturity of three months or less held at call with financial institutions, and bank overdrafts.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF LACHESIS BIOSCIENCES PTY LTD

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
